Patio Covers

Expand the outdoor activity area on your deck or backyard while avoiding strong sunlight and rain. Protect your deck and save on maintenance costs. Standard or custom patio cover options available.

Specializing in all types of awning & patio cover installations and replacements.

Vinyl Railings

Vinyl products offer a durable alternative to traditional exterior materials. Vinyl railings and deck products are virtually maintenance free and never need staining or painting.

Proudly offering Form-A-Fence products and installations.

Sun Rooms

Myles Calvert and Sons is a member of the Canadian Sunroom Manufacturing Association and is able to offer a variety of sun room installations to fit any home.
